If you disagree with Charlie Bass's positions on the issues, then you may want to consider supporting Jennifer Horn in this primary.

Jennifer is a principled conservative who will cut taxes & spending, fight to repeal ObamaCare, stop the endless bailouts, oppose Amnesty, stop Cap & Trade, defend the unborn, & protect the 2nd Amendment, etc.

But she needs our support to help her defeat Charlie Bass and his big money allies in the Washington DC political establishment.

Please consider making a generous contribution of \$100, \$50, \$25, or whatever you can afford to Jennifer's campaign at <http://www.jenniferhorn.org/contribute> (every dollar helps!)

Please pass this info along to other GOP activists and primary voters.
